

P. N. CORSETS

Some of the good features of the P. N. practical Side Corsets:

1—The extra side pieces make the breaking down of the Corset impossible.

2—These side pieces can be removed from the pockets wherein they are set and reversed from time to time without sewing or ripping, insuring permanent shapeliness to the Corset and adding to its lease of service.

3—If a lady wishes ease in reclining, the side pieces may be removed and replaced at her pleasure.

4—The cork steel protectors used in all P. N. Corsets will keep the front steel from rusting and breaking. We recommend that you try these Corsets.

The much advertised idyl of the plains, "An Old Sweetheart of Mine," in which W. A. Whitecar is starring this season, will be seen at the opera house on Friday evening. Jules Murry of New York, who makes the production, has invested the play with every possible charm of scene and every available bit of realism. The story is told in four acts, all of which are played at the ranch of Tom Cargen in western Texas. Two of the scenes shown, one of the ranch in its entirety and the other the interior of the "Shelter," vie with any like scenes produced on the road this season. A lavish expenditure of both money and good taste is apparent. Mr. Whitecar's new role is well worth seeing. It is a mainly part and gives him every opportunity for effective work. It is a true-to-nature part.

Good Things to Tell About!

There are goods here that are right in price, right in value, the kind that comes from careful conservative buying. Goods that the trade will do well to buy for immediate or future use, as follows:

DRESS GOODS

Our intention is to speak of a few specials in Dress Goods that are a little better than the market price.

Yard-wide half wool Dress Goods in all of the staple-fashionable colors at but 25c.

All colors in an All Wool Batiste for waists or whole costumes, a cloth that will wash and keep its form very good at the price, 50c.

38-inch Black Carina Mohair, an imported cloth made of real mohair, for 50c per yard. (Hard to match this value.)

DRESS GOODS

There is a decided call for check and stripes, more particularly stripes. Ready-to-wear Suits are made of these goods.

We have striped Mohairs in plain colors at only 65c, 42 inches wide (worth more).

One lot of 42-inch Mohair made to sell at \$1.00. Comes in navy, grey and castor mixture. These cloths were sold to get ready money and now they go to our trade at but 75c, which is less than original wholesale price.

All colors in a 44-inch Batiste, a regular \$1.00 grade, now to force a little extra business at only 85c.

SILKS

You can buy two dresses at the price of one by buying a Suesine Silk at 47 1/2c. These come in all colors and are beautiful Silks for waists and dresses. So good that very nearly all manufacturers are making imitations. Don't be fooled! See that the name "Suesine" is printed on the selvage and get the genuine. The price is less and the quality better, and you have the satisfaction of having the real article.

We are selling those wide Brainerd & Armstrong Silks, in all colors, at only \$1.00. The best and cheapest Silk on the market, with a reputation behind it.

Sunburst Silks for linings are a little better at 35c than anything that has been shown.

MADE NEW RECORDS.

In 70-Yard Hurdle and Throwing 58 Pound Weight.

New York, March 11.—Champions at nearly every branch of field and track sports were brought together at the annual indoor carnival of the New York Athletic club at Madison Square Garden last night. The sport was of the best, the performance of Forrest C. Smithson, formerly of Portland, Ore., but now a member of the New York Athletic club and Harry Hillman of the same club particularly arousing the big crowd to a pitch of enthusiasm.

Smithson, in the third heat of the 70 yard hurdle handicap race made a new world's record of 8 4/5 seconds from scratch. In the final heat of this race J. Robbins of Yale, who was on the five-yard mark was penalized a yard but Smithson requested that the Yale man who with two club mates were the only other competitors be restored to his original mark. This was granted by the officials and the cheers were deafening when Smithson skimmed over the hurdle a winner in nine seconds. The record for this distance over high hurdles had been 9 1/5 seconds made by S. C. Northbridge of the Irish-American Athletic club last year.

Mat McGrath of the New York Athletic club, made a new world's record in throwing up the 56 pound weight for height. From scratch he sent the weight up 15 feet 7 inches. The former record of 15 feet 6 1/2 inches had been held by James Mitchell of the New York Athletic club for nearly ten years.

SNOW AND STRINGENCY.

Caused Customs Duties in Vermont to Be Very Light.

Burlington, March 11.—During the month of February just passed the duties collected in the customs district of Vermont amounted to \$24,256.52, the smallest amount collected during February in 10 years. Last year the collections for the month of February were \$51,650.81 or over twice what they were this year. The merchandise exported through the district last month was valued at \$437,324 which is also the lightest valuation of merchandise in a similar period for a decade.

The falling off in customs business last month is attributed to the general financial stringency and to snow blockades in Canada. Conditions, however, show signs of improvement as during the first week of the present month, the collections were more than twice what they were during the first week of last month.

New Tale of Texas Life.

The new tale of Texas life, "An Old Sweetheart of Mine," which will be seen at the opera house on next Friday evening is a fascinating love story of life on the plains. The scene is laid on the ranch of Tom Cargen, in Western Texas, and the chief character is played by W. A. Whitecar, who was seen last season in the part of Jack Lumley in "The Mummy and the Humming Bird." It is absolutely devoid of anything that smacks of melodrama and the rest of the paraphernalia of western plays as usually written. The drama centers around the part of Dick Scott, played by Mr. W. Lear, who has left New York and its life for the other, freer life of the plains. The humor, the temperament of his associates, and the independence of mind and body and the loyal sincerity of the life into which he had strayed buoyed him up in trials of great moment and pursued and rarified the man to be a fit companion for the "sweetheart" he had left behind.

Resolutions.

Whereas, the Great and Supreme Ruler of the universe has in His infinite wisdom removed from among us our worthy and esteemed sister, Eileen M. Pirie; and

Whereas, the long and infinite relations held with her as a faithful member of this order makes it eminently fitting that we record our appreciation of her, therefore be it

Resolved, that the members of this order deeply mourn the loss of a faithful sister and will miss her loyal and helpful presence.

Resolved, that we extend to the bereaved families in their sorrow and loneliness our earnest and heartfelt sympathy and commend them to the tender care of our Heavenly Father, who death all things well.

Resolved, that a copy of these resolutions be spread upon the records of this order, that a copy be printed in the N. E. O. P. Journal, and that copies be sent to the bereaved families.
